

Your **customised labelling strips**

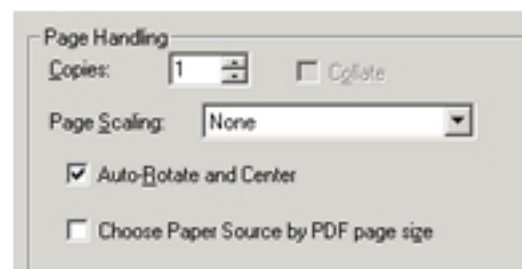

1 Open the selected document with the Adobe Reader. Use the text selection tool  to enter your custom label text.

29	30	31	32
29	CEE Socket		
30	CEE Socket		
31	Light / social rooms		

2 **Inserting your company logo**
Just click on our Spelsberg logo.
A dialog box opens and you can select your company logo.

3 **Printing the labelling strips**
Put A4 label paper in your printer. See the illustration on the right for page settings.

Cut the printouts on the **red** markings - **done!**
